National Historic Landmark

Adopt-a-Bench Program

Honor a family, a family member, friend, veteran, company, or organization by adopting an existing four or six-foot bench, or a new six-foot bench on the site of the Ulysses S. Grant National Historic Landmark.

The Adopt-a-Bench program is designed to allow the public to honor special people or events in their lives and provide long-lasting beautification to this State Historic Site. Through the program, any individual, family, business, or community group can provide a donation to adopt a park bench, which includes a personal message on an engraved plaque (messages are subject to approval by Grant Cottage). Benches would be located at the discretion of the Cottage. A donor would choose from one of two options, using Cottage approved bench designs, as follows:

Adopt an Existing Bench Donation Level: \$1,000.00

Includes a customized plaque installed on an existing bench on the Grant Cottage property. The bench adoption contract is for a 10-year period with an option to renew at whatever the market price is at the time of renewal. The option for adoption of an existing bench is subject to availability.

Adopt a New Bench Donation Level: \$1,500

Includes a brand-new six-foot bench with customized plaque installed on the Grant Cottage property. The bench adoption contract is for a 10-year period with an option to renew at the market price at the time of renewal. There is an additional option to sponsor this bench for two 10-year terms for payment of \$3,000, payable now, at the current price.

Plaques A bronze dedication plaque with a personalized inscription will be mounted on each adopted park bench. The standard dedication plaque measures 3" x 10". Sentiment on the plaque is limited to three lines, 30 characters per line (including spaces). All messages are subject to approval by Grant Cottage. Upon installation, all park benches and plaques will become the property of Grant Cottage and will be maintained by same. The donor does not have any claim to ownership of either the bench or the plaque.

Bench Maintenance There is a ten-year bench maintenance and plaque replacement guarantee. Maintenance of all benches will be the responsibility of Grant Cottage.

It is the responsibility of the donor to keep the Cottage up to date on contact information.
